work experience

Freelance / Graphic Designer, Illustrator, Artist

April 2014 to Present - Montreal, QC

Full-time self-employed from 2019; collaboration with clients to create imagery and concepts that both meet and exceed the clients' needs and expectations. Work includes print and digital graphic design, promotional decks, motion graphics, illustrated children's books, and branding assets.

WatchMojo / Graphic Designer

October 2017 to June 2019 - Montreal, QC

Responsible for branding assets including YouTube banners, show logos, thumbnail art, in-show graphics, marketing decks, and any graphics for core channel as well as the extended WatchMojo network.

Wizmet International / Graphic Designer

March 2017 to August 2017 - Lachine, QC

Label and package design creation for a range of bath and beauty products including gift sets and individual products distributed throughout the US and Canada. Product photo re-touching, creation of compelling designs, finalized Illustrator files within the correct dielines to be sent for printing.

iNexus/MusicPromoToday / Creative Director

June 2016 to September 2016 - Montreal, QC

Oversaw all designs on social media, co-created musician branding identity, designed logos, created promotional decks for MusicPromoToday. Experienced working for a small ad agency focusing on EDM artists, meeting campaign deadlines with a team, and learned the fast-paced nature of managing multiple campaigns simultaneously.

Emma Willard School Communications / Design Intern

July 2013 to July 2015 (summer position) - Troy, NY

Responsible for complete production and publication of print and digital formats of community handbook. Photo editing, campus map creation, interior dormitory signage, and various Emma Willard publicity graphics that integrated new branding.

The Theater Barn / Scenic Painter, Board Op., Prop Designer

May 2008 to August 2014 (summer position) - New Lebanon, NY

Constructed sets, scenic painting (faux finishes, textures, etc.) Light and Sound board operator for all performances. Promotional photography for the theater and professional headshots of individual actors. Built and designed props.

education

Concordia University / Graduate Certificate in Digital Technologies and Design Art Practice

2015 to 2016 - Montreal, QC

Courses in interactive media and exhibition design. Individual research project, "Food Play", focused on creating playful designs that promote a more mindful approach to eating and consumerism.
